GOVT. ELECTRICAL CONTRACTOR

Electricians are responsible for fixing issues related to electric chores. The electrical contractor can be a company or business to employ professional electricians to pursue different electronic tasks. Professionals are responsible for installing and removing electrical wiring and perform different electrical works. The contractors can review the blueprints of a project along with wall plans and floor plans. These plans can give them a clear idea about electrical needs and bid on several projects.

- HT/LT Work
- Shifting of HT/LT Line
- Transformer Sub Stations
- Street Light Works
- Solar Energy
- Electrical Consultancy
- Renewable Energy
- Energy Audit
- External & Internal Electrification Works
